TD3.4. Crossings and Connections: Gaps, Challenges, and Opportunities

11:00 - 12:30 Wednesday, 8th October, 2025 | Location: Orange cube

This session examines how cities around the world are tackling the complexities of pedestrian crossings and connectivity. From Lagos to Kinshasa, Paris to London, the contributions highlight the difficulties of ensuring safe, direct movement on foot and showcase innovative responses, from tactical urbanism to new design standards, that aim to close the gaps and create more seamless walking environments.

Presentation Type

Topical Discussions are a set of oral presentations in a moderated session to illuminate different perspectives and experiences on the same topic. The presentations will provide the framework for the subsequent discussion and debate.

Your session is scheduled as indicated in the [programme](#).

Session length: 90 minutes.
